Dear Students,

This letter is to inform you of recent changes to VA legislation. The Post 9/11 Veterans Educational Assistance Improvements Act of 2010 was signed on January 4, 2011. Public Law 111-377 changes the way we request your tuition and fees beginning 1 August 2011. We are now required to subtract all tuition specific grants prior to requesting your tuition from VA. This means the North Carolina Legislative Tuition Grant (NCLTG) will now be subtracted prior to us requesting your tuition from VA. This only affects our Post 9/11 VA recipients due to the fact that your tuition is paid by VA directly to the school. If you would like more information regarding this policy change please visit the VA website at <http://www.gibill.va.gov>.

These changes in legislation are directed by Department of Veterans Affairs in Washington DC. The intent was to improve the accuracy of Post 9/11 GI Bill payments so that tuition payments by VA and tuition grants/scholarships do not exceed actual tuition costs per student. Please feel free to contact us if you have any further questions or concerns.
